

PLANT BASED DEGREASING CONCENTRATE

PRODUCT DESCRIPTION

Enviro Degreaser is a powerful, plant-based degreasing concentrate formulated for cleaning contents and washing soot covered walls in the insurance restoration industry.

Enviro Degreaser is derived from a unique chemical synthesis, employing powerful surfactants and emulsifiers which provide faster wetting, faster penetration and overall better cleaning without compromising safety and the environment. Enviro Degreaser, a professional grade product is ideal for use with contents restoration efforts.

Unlike most heavy-duty cleaners, Enviro Degreaser contains no harmful chemicals, is non-flammable and completely biodegradable for a safer clean that is friendlier to the environment.
